

(6) *Use of additional funds.* If additional funds from any source become available to a state-operated permit bank, the state-operated permit bank may not allocate or transfer any ACE that may be associated with any new permit purchased with those funds, until the state-operated permit bank provides the Council the opportunity to review the implications of the expanded state-operated permit bank to the goals and objectives of the NE Multispecies FMP.

(7) *Violation of the terms and conditions applicable to a state-operated permit bank.* If a state or state-operated permit bank violates or fails to comply with any of the requirements and conditions specified in this section or in the MOA referenced in paragraph (e)(1) of this section, the state or state-operated permit bank is subject to the actions and penalties specified in § 648.4(n) or the MOA.

[75 FR 18338, 18374, Apr. 9, 2010, as amended at 76 FR 23072, Apr. 25, 2011; 76 FR 42586, July 19, 2011; 77 FR 16497, Mar. 23, 2012; 77 FR 26125, May 2, 2012]

§ 648.88 Multispecies open access permit restrictions.

(a) *Handgear permit.* A vessel issued a valid open access NE multispecies Handgear permit is subject to the following restrictions:

(1) The vessel may possess and land up to 75 lb (90.7 kg) of cod, and up to the landing and possession limit restrictions for other NE multispecies specified in § 648.86, provided the vessel complies with the restrictions specified in paragraph (a)(2) of this section. If either the GOM or GB cod trip limit applicable to a vessel fishing under a NE multispecies DAS permit, as specified in § 648.86(b)(1) and (2), respectively, is adjusted by NMFS, the cod trip limit specified in this paragraph (a)(1) shall be adjusted proportionally (rounded up to the nearest 25 lb (11.3 kg)). For example, if the GOM cod trip limit specified at § 648.86(b)(1) doubled, then the cod trip limit for the Handgear B category fishing in the GOM Regulated Mesh Area would also double to 150 lb (68 kg).

(2) *Restrictions:* (i) The vessel may not use or possess on board gear other than handgear while in possession of, fishing

for, or landing NE multispecies, and must have at least one standard tote on board;

(ii) The vessel may not fish for, possess, or land regulated species from March 1 through March 20 of each year; and

(iii) The vessel, if fishing with tub-trawl gear, may not fish with more than a maximum of 250 hooks.

(iv) *Declaration.* To fish for GB cod south of the GOM Regulated Mesh Area, as defined at § 648.80(a)(1), a vessel owner or operator must obtain, and retain on board, a letter of authorization from the Regional Administrator declaring an intent to fish south of the GOM Regulated Mesh Area, and may not fish in any other area for a minimum of 7 consecutive days from the effective date of the letter of authorization. Such a vessel may transit the GOM Regulated Mesh Area, provided that their gear is stowed in accordance with the provisions at § 648.23(b).

(b) *Charter/party permit.* A vessel that has been issued a valid open access NE multispecies charter/party permit is subject to the additional restrictions on gear, recreational minimum fish sizes, possession limits, and prohibitions on sale specified in § 648.89, and any other applicable provisions of this part.

(c) *Scallop NE multispecies possession limit permit.* With the exception of vessels fishing in the Sea Scallop Access Areas as specified in § 648.59(b) through (d), a vessel that has been issued a valid open access scallop NE multispecies possession limit permit may possess and land up to 300 lb (136.1 kg) of regulated NE multispecies when fishing under a scallop DAS allocated under § 648.53, provided the vessel does not fish for, possess, or land haddock from January 1 through June 30, as specified under § 648.86(a)(2)(i), and provided that the amount of regulated NE multispecies on board the vessel does not exceed any of the pertinent trip limits specified under § 648.86, and provided the vessel has at least one standard tote on board. A vessel fishing in the Sea Scallop Access Areas as specified in § 648.59(b) through (d) is subject to the possession limits specified in § 648.60(a)(5)(ii).

§ 648.89

50 CFR Ch. VI (10–1–12 Edition)

(d) *Non-regulated NE multispecies permit.* A vessel issued a valid open access non-regulated NE multispecies permit may possess and land one Atlantic halibut and unlimited amounts of the other non-regulated NE multispecies, unless otherwise restricted by § 648.86. The vessel is subject to restrictions on gear, area, and time of fishing specified in § 648.80 and any other applicable provisions of this part.

[69 FR 22983, Apr. 27, 2004, as amended at 69 FR 63481, Nov. 2, 2004; 71 FR 62195, Oct. 23, 2006; 75 FR 18348, Apr. 9, 2010; 76 FR 23075, Apr. 25, 2011; 77 FR 19143, Mar. 30, 2012]

§ 648.89 Recreational and charter/party vessel restrictions.

(a) *Recreational gear restrictions.* Persons aboard charter/party vessels permitted under this part and not fishing under the DAS program or under the restrictions and conditions of an approved sector operations plan, as specified in § 648.87(c), and recreational fishing vessels in the EEZ, are prohibited from fishing with more than one line per angler, and must stow all other fishing gear on board the vessel as specified in § 648.23(b).

(b) *Recreational minimum fish sizes—(1) Minimum fish sizes.* Unless further restricted under paragraph (b)(5) of this section, persons aboard charter/party vessels permitted under this part and not fishing under the NE multispecies DAS program or under the restrictions and conditions of an approved sector operations plan, and recreational fishing vessels in or possessing fish from the EEZ, may not possess fish smaller than the minimum fish sizes, measured in total length (TL), as follows:

Species	Size (inches)
Cod	22 (55.9 cm)
Haddock	18 (45.7 cm)
Pollock	19 (48.3 cm)
Witch flounder (gray sole)	14 (35.6 cm)
Yellowtail flounder	13 (33.0 cm)
American plaice (dab)	14 (35.6 cm)
Atlantic halibut	41 (104.1 cm)
Winter flounder (blackback)	12 (30.5 cm)
Redfish	9 (22.9 cm)

(2) *Exception.* Vessels may possess fillets less than the minimum size specified, if the fillets are taken from legal-sized fish and are not offered or intended for sale, trade or barter.

(3) *GOM cod.* Private recreational vessels and charter party vessels described in paragraph (b)(1) of this section may not possess cod smaller than 24 inches (63.7 cm) in total length when fishing in the GOM Regulated Mesh Area specified under § 648.80(a)(1).

(4) Fish fillets, or parts of fish, must have at least 2 square inches (5.1 square cm) of skin on while possessed on board a vessel and at the time of landing in order to meet minimum size requirements. The skin must be contiguous and must allow ready identification of the fish species.

(5) *GOM cod.* Private recreational vessels and charter party vessels described in paragraph (b)(1) of this section may not possess cod smaller than 19 inches (48.26 cm) in total length when fishing in the GOM Regulated Mesh Area specified under § 648.80(a)(1).

(c) *Possession restrictions—(1) Recreational fishing vessels.* (i) Unless further restricted by the Seasonal GOM Cod Possession Prohibition specified under paragraph (c)(1)(v) of this section, each person on a private recreational vessel may possess no more than 10 cod per day in, or harvested from, the EEZ.

(ii) For purposes of counting fish, fillets will be converted to whole fish at the place of landing by dividing the number of fillets by two. If fish are filleted into a single (butterfly) fillet, such fillet shall be deemed to be from one whole fish.

(iii) Cod harvested by recreational fishing vessels in or from the EEZ with more than one person aboard may be pooled in one or more containers. Compliance with the possession limit will be determined by dividing the number of fish on board by the number of persons on board. If there is a violation of the possession limit on board a vessel carrying more than one person, the violation shall be deemed to have been committed by the owner or operator of the vessel.

(iv) Cod must be stored so as to be readily available for inspection.

(v) *Seasonal GOM cod possession prohibition.* Persons aboard private recreational fishing vessels fishing in the GOM Regulated Mesh Area specified in § 648.80(a)(1) may not fish for or possess any cod from November 1 through
